

Inclusion & diversity strategy - France

② Challenges

Amplify the dynamics of democratization of Erasmus+ on the different target groups

Mobilize the programme's new tools to support the most vulnerable groups

③ Priority strands

⑦ 2021-2024 objectives

Inclusion & diversity strategy - France

③ Priority strands

Promoting and communicating on inclusion opportunities within the programme

Supporting the implementation of activities for learners with less opportunities

Studying and valorizing inclusion within Erasmus+

⑦ 2021-2024 Objectives

1. Making the various stakeholders aware of the opportunities for the audiences to be included

2. Raising awareness & strengthening reputation of the programme amongst the final audiences

3. Promoting access to mobility to people with fewer opportunities

4. Funding projects on the topic of inclusion

5. Giving an adapted support for organisations and projects promoting inclusion

6. Analyzing inclusion in the programme through studies

7. Showcasing the quality projects and capitalizing on the best experiences and outputs
