

Top-up Criteria in 2024- Croatia

Top-up for fewer opportunities is obligatory for these categories:

- students with lower socio-economic status,
- students with refugee, asylum seeker or migrant status,
- students with support for inclusion (students whose personal, physical, mental or health condition is such that their participation in the project / mobility activity would not be possible without additional financial or other types of support).

There is wide range of other categories that HEIs can choose from and offer top-up for fewer opportunities such as:

- Students whose parents have a lower level of education;
- female students in the technical field, male students in the humanities
- 30+ students
- students who have kids,
- students with VET pre graduate education,
- students who work (employed students),
- students who study outside of their residence
- students from rural areas and islands
- students from war veteran families,
- students without adequate parental care
- Roma national minority students
- Homeless students and those at risk of homelessness
