

Belgian National Agency AEF - Europe (BE01) (top-up criteria 2024 and 2025)

- students receiving a scholarship from the Wallonia-Brussels Federation
- students from a modest background
- students with specific needs
- students benefiting from social integration income
- students with the status of close caregiver
- students with an employment contract (outside of school holidays) and therefore experiencing a loss of income during their mobility
- single-parent students who travel with a child not yet in compulsory education
- recent graduates who benefited from the status of scholarship recipient or student from a modest background (as mentioned above) in the year preceding the mobility
