

## **Dannish National Agency (top-up criteria 2024 and 2025)**

For outgoing students (both KA131 and KA171)

- Students with functional impairments, chronic or treatment-requiring disorders;
- Students, who are summoned for civic duty or for service in the army reserve;
- Caregivers or resource persons (parents, adoptive parents, carers of sick family members, mentors or support persons)

For incoming students (KA171)

- Students with functional impairments, chronic or treatment-requiring disorders;
- Parents to children under 18 years
- Students from ODA countries without a Danish representation who thus have to cross at least one border to apply for a visa
- Students who have to travel more than 1000 km to the nearest Danish representation to apply for visa
