

Finnish National Agency (top-up criteria 2025):

Outgoing students:

- students with underage children
- family carers who have made an agreement of informal care with the municipality
- disabilities with min. moderate functional deficiency, or EU Disability Card or eligibility for it
- health conditions with min. moderate functional deficiency
- migrant background: have received or are receiving international, subsidiary or temporary Protection

Incoming students in ICM:

- group(s) defined and agreed by the Finnish HEI and the partner country HEI taking into account the context of the partner country (a recommended good practice is to include these groups in the inter-institutional agreement)
